Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

In response to Applicant's request for withdrawal of the restriction requirement, filed October 13, 1997, it is noted that the Examiner has already indicated that the Action mailed August 25, 1997 would be withdrawn in view of the Supplemental Amendment filed August 11, 1997 (see Interview Summary mailed October 20, 1997). Therefore, the request is moot, and a new action will be forthcoming from the Examiner.
